Water Smart Landscaping Seminar

Presented by the Town of Norfolk and Charles River Watershed Association

Time: 6:30 - 8:30 p.m.
Date: Thursday, June 20, 2019
Location: Norfolk Town Hall, One Liberty Lane, Norfolk, MA 02056

Topics that will be covered include water friendly gardens and landscapes, healthy “lawns”, water conservation, and more. Anyone with an interest in learning more about how they can make their own property more environmentally friendly is encouraged to attend!

This seminar will feature presentations by Charles River Watershed Association and Ben Bornstein of BSB Landscape and Garden.

No previous gardening experience necessary! Refreshments available, registration not required.

Contact Delilah Bethel, CRWA’s Rita Barron Fellow, at dbethel@crwa.org or (781) 788-0007 x 231 for inquiries.

This project has been financed partially with State Capital Funds from the Massachusetts Department of Environmental Protection under a Sustainable Water Management Initiative Grant. The contents do not necessarily reflect the views and policies of the Department, nor does the mention of trade names or commercial products constitute endorsement or recommendation for use.
