ARTICLE VII – LAND USE AND RESOURCE PROTECTION

SECTION 3. Water Use Restriction Bylaw

A. Authority This bylaw is adopted by the Town under its police powers to protect public health and welfare and its powers under Massachusetts General Laws, Chapter 40, Section 21 et. sq., Implementing the Town’s authority to regulate water use pursuant to Massachusetts General Laws, Chapter 41, Section 69B. This bylaw also implements the Town’s Authority under Massachusetts General Laws, Chapter 40, Section 41A, conditioned upon a declaration of water supply emergency issued by the Department of Environmental Protection.

B. Purpose - The purpose of this bylaw is to protect, preserve and maintain the public health, safety and whenever there is in force a state of Water Supply Conservation or State of Water Emergency by providing for enforcement of duly imposed restrictions, requirements, provisions or conditions imposed by the Town or by the Department of Environmental Protection.

C. Definitions

1) “Person” shall mean any individual, corporation, trust, partnership or association, or other entity

3) “State of Water Supply Conservation” shall mean a State declared pursuant to Section D of this bylaw.

4) “Water Users” or “Water Consumers” shall mean all public and private users of the Town’s public water system, irrespective of any person’s responsibility for billing purposes for water used at any particular facility.

D. Declaration of State of Water Supply Conservation

The Town, through its Board of Water Commissioners, may declare a State of Water Supply Conservation upon a determination by a majority vote of the Board that a shortage of water exists and conservation measures are appropriate to ensure an adequate supply of water to all water consumers. Public notice of a State of Water Conservation shall be given under Section F of this bylaw before it may be enforced.

E. Restricted Water Uses A declaration of a State of Water Supply Conservation shall include one or more of the following restrictions, conditions, or requirements limiting the use of water as per necessary to protect the water supply. The application of restrictions, conditions or requirements shall be included in the public notice required under Section F:

a) Odd/Even Day Outdoor Watering: Outdoor watering by water users with odd numbered addresses is restricted to off numbered days. Outdoor watering by water users with even numbered addresses is restricted to even numbered days;

b) Outdoor Watering Ban: Outdoor watering is prohibited;

c) Outdoor Watering Hours: Outdoor watering is permitted only during daily periods of low demand to be specified in the declaration of a State of Water Conservation and public notice thereof;
d) Filling Swimming Pools: Filling of swimming pools is prohibited;

e) Automatic Sprinkler Use: The use of automatic sprinkler systems is not allowed at any time when the watering system is connected to the Town of Norfolk system or water supply.

F. Public Notification of a State of Water Supply Conservation

Notification of any Provision, restriction, requirement or condition imposed by the Town as part of a State of Water Supply Conservation shall be published in a newspaper of general circulation within the Town, or by such other means responsibly calculated to reach and inform users of the State of Water Supply Conservation. Any restriction imposed under Section E shall not be effective until such notification is provided.

Notification of the State of Water Supply Conservation shall also be simultaneously provided to the Massachusetts Department of Environmental Protection.

G. Termination of a State of Water Supply Conservation A State of Water Supply Conservation may be terminated by a majority vote of the Board of Water Commissioners, upon a determination that the water supply shortage no longer exists. Public notification of the termination of a State of Water Supply Conservation shall be given in the same manner required by Section F.

H. State of Water Supply Emergency/Compliance with DEP Orders

Upon notification to the public that a declaration of a State of Water Supply Emergency has been issued by the Department of Environmental Protection, no person shall violate any provision, restriction, requirement, condition of any order approved or issued by the Department intended to bring about an end to the State of Emergency.

I. Penalties Any person violating this bylaw shall be liable to the Town in the amount of $50 for the first violation and $100 for each subsequent violation which shall inure to the Town for such uses as the Board of Water Commissioners may direct. Fines shall be recovered by indictment, or on complaint before the District Court, or by non-criminal disposition in accordance with Chapter 30 of the Massachusetts General Laws. Each day of violation shall constitute a separate offense.

J. Severability The invalidity of any portion or provision of this bylaw shall not invalidate any other portion or provision thereof. (5/16/95)
